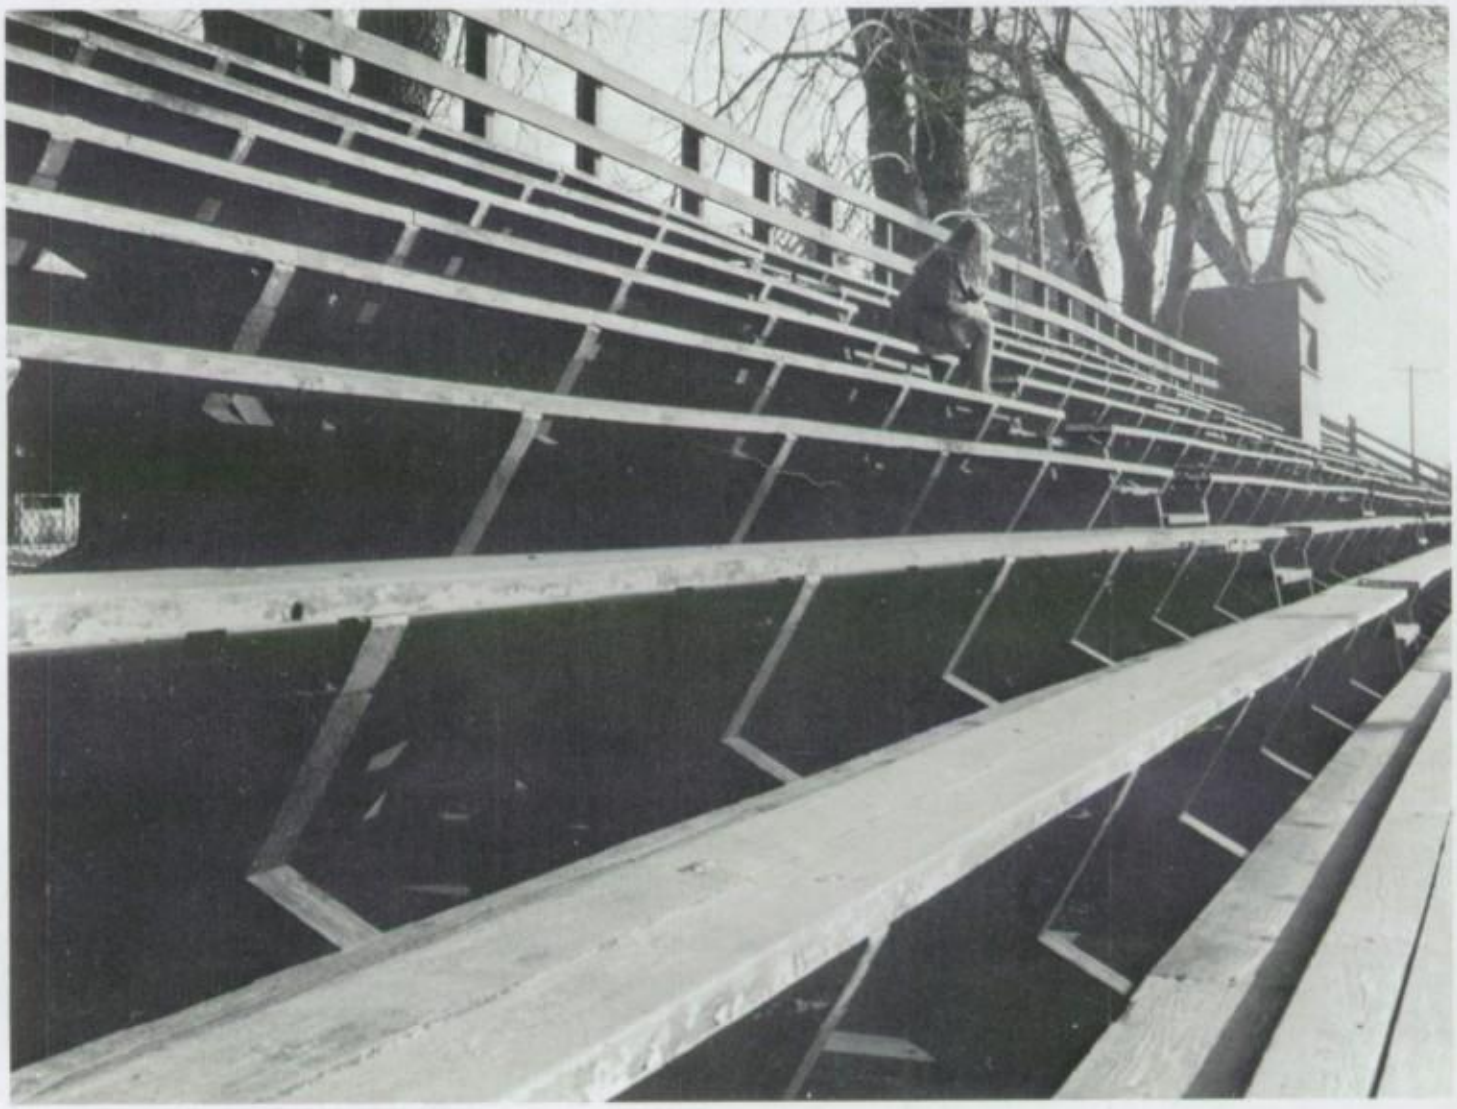
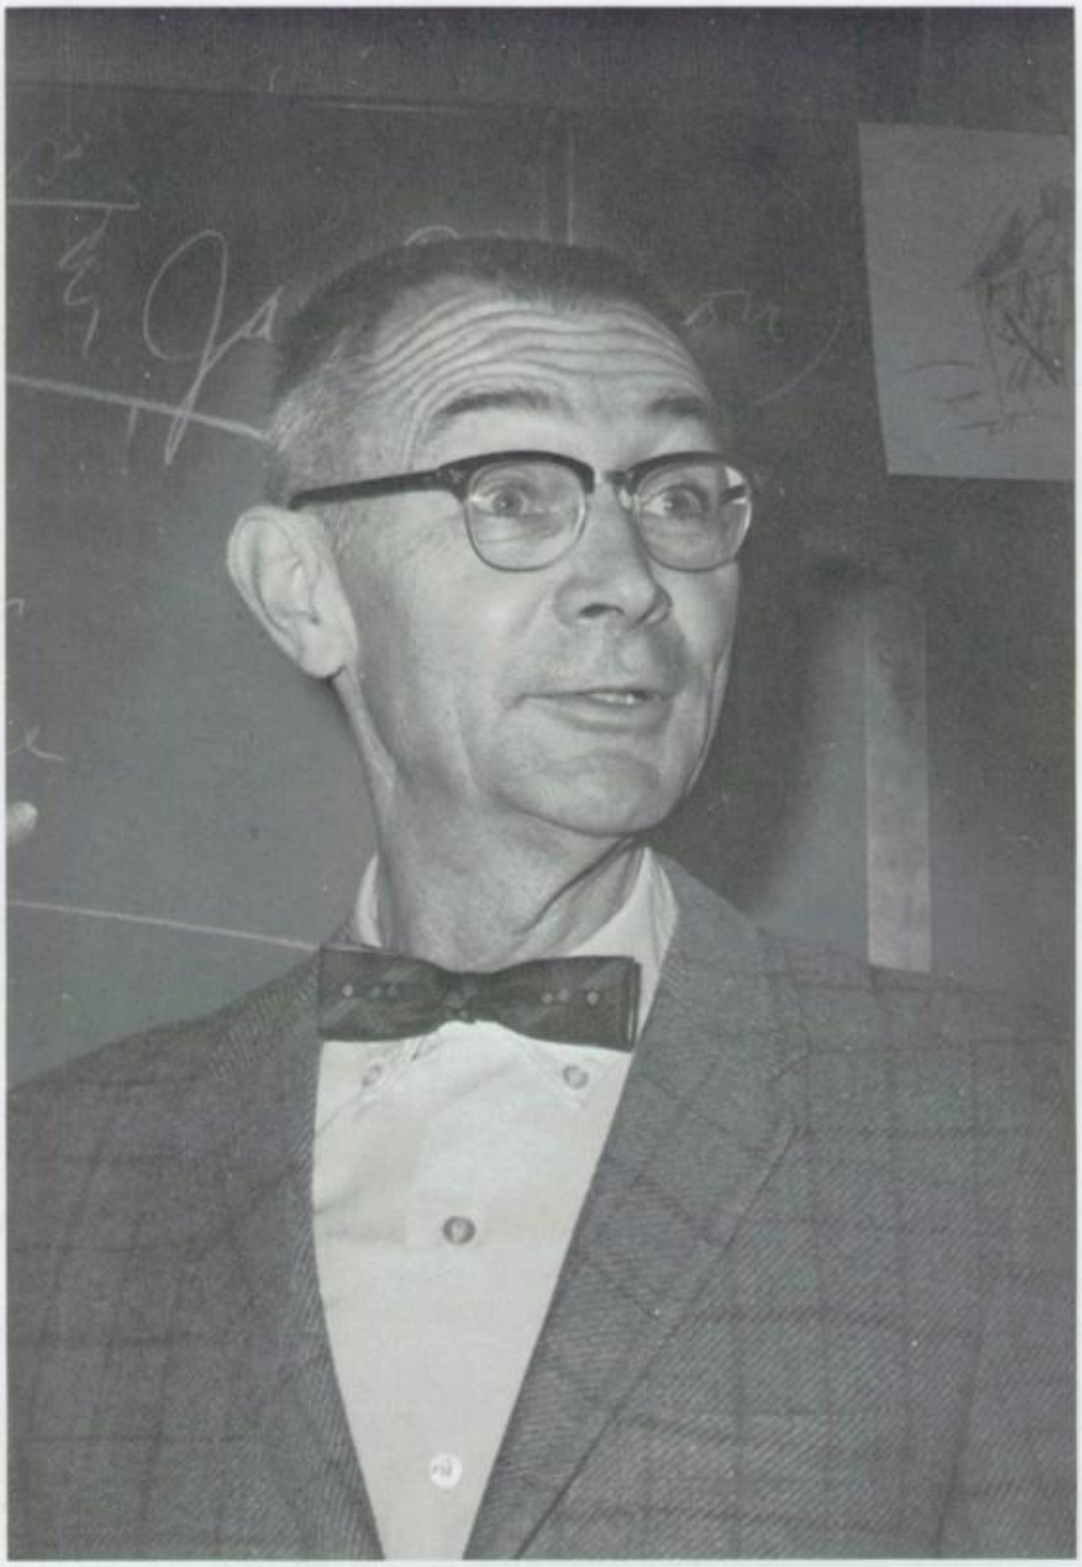
The Present Now Will Later Be Past, For The Times They Are a' Changin'





Mr. Carl Hanson has taught printing skills and created student newspapers for Santa Cruz High School since 1940. His tireless efforts have produced, in addition, a constant stream of booklets and commencement programs, and request of such tasks has always been met with patience and good humor.

For 31 years, his understanding reliable presence and outstanding efforts have given the student body much more than a printed page. He has printed our goals and achievements, in spite of many unmentioned late hours and early morning work.

A newspaper is a process of communication. But this process is not contained in the classroom or in newspaper articles. You and your training printers have built the vehicle and opened the channels upon which our thoughts ride.

It is difficult to express the hope and fulfillment many of us feel at seeing and holding final printed issues of the school newspaper. Because you have played a major role in giving us that hope and fulfillment, we wish to dedicate this 1971 Cardinal yearbook to you as thanks.

Santa Cruz High School suffers an immeasurable loss with your retirement, Mr. Hanson. It has been an honor to know and work with you.

A year is not a long time- not long enough, when you have an exciting time filled with new experiences and discoveries.

Some of the discoveries, like writing 10 amendments for talking in class or experiences like being called "crazy Finn" by some "friends" have made me feel like a part of SCHS.

I really have had an enjoyable time.

Kiitoksia kaikille, I thank all of you

On each Monday afternoon 27 or 28 men gathered to regroup for another contest. They cheered and applauded for heroic achievements in the previous contest. On Tuesdays they worked offensive techniques and on Wednesdays they reviewed defense. Lunch hours were spent reviewing films of ourselves and opponents. Thursday tee shirts and shorts and spirits soared as we reviewed the weeks work. Fridays or Saturdays were never successful for us. The Cardinals held their heads high all season even with many close losses. They started the season strong winning 4 out of the first 5 and ended the season upsetting league champions Alisal 73-71, in the last 3 seconds. The team was composed of 1 senior, 5 juniors and 2 sophomores. With another year of maturity and poise, after playing many tight games, they should win the league next year. Junior Dave Martini made the all league team and sophomore Dave Bruce was honorable mention. John Eicholz, Martini and Bruce made all Dads Tourney in December.

Nine wins and four losses was the statistical story of our season. We finished in fourth place in the league. Our league is very strong evidenced by the five boys who placed in N.C.I. competition. A number of individuals placed high in various tourneys with Craig Deane again winning the highest honors with his repeat of a Northern California championship.

Kevin O'Connor, Bill Scott, Sam Villa, and Paul Tanner constantly brought home high finishes. Pleasant surprises, as a result of hard work, brought the following boys honors: Eloy Villa, Dennis Meakin, Gary Dinatale, Steve Poston, and Steve Roland. Great promise was shown by Randy McCullah as he earned his varsity block as a freshman wrestler.
